MISSION STATEMENT

The mission of the Meadville R-IV School District is to offer a quality education to every student. It is committed to guiding students to reach their highest potential. It is the school’s aim to educate the whole student, intellectually, physically, socially, and emotionally. Education is the responsibility of the parents, student, family, teacher, school staff and community. All must work cooperatively toward preparing students to be productive and contributing members of an ever-changing global society.

PHILOSOPHY OF EDUCATION

Public education is a joint responsibility of the profession, the public, and their representatives. We realize that the Board of Education, administration, and classroom teachers have a common goal: the best education for all of the students who attend the Meadville R-IV Elementary and Secondary School System. This education must prepare each student for his or her pathways into life’s experiences regardless of their age, race, sex, religious preference, national origin, socio-economic status, or handicapped condition.

We must recognize that the American Public School System is peculiarly our own; that it was developed to fit a base for future needs during our life’s remainder. We believe that it must be a flexible system, adaptable to the needs of various localities and able to meet changing conditions. We must realize that education is not static; that we must keep abreast of changing times, constantly recognizing new needs, constantly seeking new methods of achieving our goals, yet not rushing blindly out on untried pathways.

Due to the increasing mobility and technological advances of the American people, we must realize that we no longer prepare our children to become citizens of the area in which they grow up. Therefore, we must be prepared to meet at least certain minimal standards on state and national levels. At the same time we believe that the state and federal governments have a growing responsibility in the support of a school system, which will meet these mandated requirements.

We must recognize that the child is the product of his home, his community, and his school. All must contribute to his development. When one fails, the others must move to bridge the gap. It is the responsibility of the home to see that each child has an upbringing that is supportive, healthy, happy, morally and mentally balanced. It is the responsibility of the community to contribute the means for a child’s education, to set high standards for his health, safety, and moral and civic development. The education process should develop a feeling of self-worth; the instructional program should encourage responsible decision-making, and provide opportunities for self-discipline. Each student should develop attitudes that contribute to the continuation of the democratic way of life in America. Students should appreciate and understand that the democratic and free enterprise system must be learned and earned through active participation.
If the school is to fulfill its function, we as teachers and members of the Board of Education in a public school, must pledge ourselves to recognize and abide by the goals of our educational system; to do the very best we can with the means at our command. We must recognize that no two individuals are alike; that each child represents a different problem and challenge. We must demand that each student develop to his fullest capacity. Consequently, we must set high standards of achievement and resist all pressures to lower them, recognizing, of course that all children cannot attain the same level of achievement.

**SCHOOL DISTRICT GOALS AND OBJECTIVES**

In order for the Meadville R-IV School District to develop each child into citizens who will effectively function in our democratic society, we believe educational goals must contribute to the development of the whole child. Each educational arrangement must be planned to include the child’s continued growth; mentally, emotionally, physically, and socially.

In keeping with the philosophy and mission of the Meadville R-IV School District, the following are applicable. The Meadville R-IV School District:

1. will maintain fiscal practices and procedures which meet current and future educational programs;
2. shall develop a staff development program which will recruit, maintain and ensure each staff member will possess skills, knowledge and self-worth essential to perform effectively and efficiently;
3. shall evaluate, implement, and expand methods necessary to maximize student intellectual, physical and self-worth potential;
4. will implement a plan to maintain and upgrade school resources and facilities to provide opportunities for participation in experiences to develop student citizens;
5. initiate a school improvement plan to ensure quality programs and practices;
6. will provide new and updated technologies into our education programs and services;
7. will provide an effective program of studies designed toward the student’s realization of self-worth as individuals and lead toward he-she becoming a productive participant in society with aspirations, abilities and capabilities to learn;
8. will provide a learning environment in which individual motivation for learning is the stimulus for achievement, develop a sense of human values, fairness, justice, tolerance and an appreciation of others around him;
9. shall attempt to increase public awareness, communication, and parental involvement developing a basic community confidence in the school system, making sure the school is an essential portion of community life with programs for all ages.
SCHOOL ATTENDANCE POLICY

All students are expected to attend school regularly and be on time for classes in order to benefit fully from the instructional program and to develop habits of punctuality, self discipline and responsibility. There is a direct correlation between poor attendance and class failure. Students having good attendance generally achieve higher grades, enjoy school and school activities more and stand a much better chance of becoming employed after leaving high school.

A. A phone call or a note from home are **required** for all absences. A phone call or a note from the parent/guardian are required if the student plans on leaving during the school day. Parents or relatives are to pick the students up or he/she is to drive herself/himself home. Under normal circumstances, no one other than family members will be permitted to leave school early together. Students will be **required** to get an admit slip from the office before they return to classes after being absent. Teachers will not admit students to class without an official admit slip from the office.

B. Students will be allowed no more than 5 absences per semester per period. The absences should be adequate to cover the following:
   1. Personal illness
   2. Professional appointments that could not be scheduled outside of the regular school day.
   3. Absences approved by parent or guardian.

If a student is absent in excess of five class periods per semester per class, he/she will not receive credit for that class for the semester. Your child will be given the opportunity to make up each absence over five with Seat Time as not to receive credit due to absences. (Seat Time equals 45 minutes per period absent over five) A student and parent may appeal this policy to the Superintendent and then to the Meadville R-IV School Board of Education.

C. Administrative Procedures Absences (per semester):
   Absences:  
   3 Parents notified by letter  
   4 Parents notified by letter  
   5 Parents notified by letter  
   6+ Parents notified by letter for student to serve time or not receive credit for that class during that semester.

D. Students are tardy if they enter the room after 8:15 a.m. Students arriving at school after 8:15 a.m. are to report to the Principal’s office for an admit slip before going to their class. Students are to be in their classroom before the tardy bell rings. A student receiving three (3) tardies will be assigned an After School Detention.

E. All first semester seat time must be served before the last day of February. All second semester seat time must be served before the last day of summer school. **Failure to meet these deadlines will result in loss of credit!!!**

F. Students will appeal absences to the Superintendent.

G. Student will appeal absences to the Meadville R-IV Board of Education.

H. School sponsored or school sanctioned activities are exempt from and will not count toward the total count of absences.

I. Make-up work to the extent possible will be allowed for the first five (5) days. This work should be requested by the student on the day he/she returns to school (classes).
J. Students who participate in school sponsored activities that require the student to miss a day of school must be present the day before or the day following the activity. If a student is absent the day before and the day after the activity, they will not be allowed to attend the next school sponsored activity that requires time away from school. Any exceptions must be approved by Administration.

**LEAVING SCHOOL DURING CLASS HOURS**

No student is to leave school during the day for any reason, unless it is approved in the office. The student must have written or oral consent from parents to present to the Superintendent or Principal. The student will sign out from the office and sign back in when returning. Students must have an admit slip from the Principal’s office to return to class.

**SENIOR COLLEGE DAY**

Seniors may take two excused College Days throughout the school year. Students must request a college day by contacting the High School Counselor and completing the proper forms. Request must be made in writing at least one week prior to the date of the college visit.

**PERFECT ATTENDANCE POLICY**

Tardiness: Tardiness to school will be defined as arrival at school after the 8:15 a.m. bell and before 8:30 a.m.

To be eligible for perfect attendance recognition and privileges, the following rules apply:

1. A student must not be absent for more than six (6) hours per school year. No more than three (3) of these can be consecutive.
2. Hours missed for immediate family member’s funeral will be excused.

Awards for perfect attendance are:

1. Certificate awarded on the last day of classes for the school year.
2. A special privilege determined by the administration and announced at the end of the school year.

**A+ SCHOOLS PROGRAM**

Through the A+ Schools Program, the Meadville R-IV School District has made a district-wide commitment to the goals that ensure that:

1. All students graduate from school.
2. All students complete a selection of high school studies that is challenging and for which there are identified learning expectations.
3. All students proceed from high school graduation to a college, postsecondary vocational or technical school or high wage job with workplace skill development opportunities.

Students who graduate from a designated A+ high school may qualify for a state-paid financial incentive to attend any public community college or career/technical school in Missouri if the students successfully meet the following requirements:

- Enter into a written agreement with the high school prior to graduation.
- Attend a designated school for three consecutive years immediately prior to graduation.
- Graduate with an overall GPA of 2.5 points or higher on a 4.0 scale.
- Have an overall attendance rate of at least 95 percent for grades 9-12.
- Perform 50 hours of district-supervised, unpaid tutoring or mentoring.
- Beginning with the high school senior class of 2015, have achieved a score of proficient or advanced on the Algebra I end of course exam.

**POLICY ON LATE ASSIGNMENTS**

Students 7-12 will be allowed to turn in two late assignments per quarter/per class without penalty. However, the two late assignments must be turned in the next time that class meets or no credit will be given. **Late grades cannot be used for tests, long-term projects, or specified assignments by the teacher.** The third missing or late assignment, the student will be assigned a detention.

Students who miss a test need to arrange with teacher to make up that test within **two class periods.**

**PLEASE NOTE:** Individual teachers may have additions to this policy; students are responsible for meeting those requirements.

**FOLLOW THESE GUIDELINES CONCERNING MAKE-UP WORK!!!**

1. Students leaving school during the day for any reason, (example, school sponsored activities, dental appointment, doctor appointment, personal reasons), will be expected to pick up assignments before leaving. Assignments are due the next day the class meets which usually is the following day.

2. When an absence is not anticipated, all school work must be made up within the number of school days which are double those of the absence. (i.e., three days absence must be made up in six school days) Absences of more than five days must be made up as arranged with each teacher.

3. The counting period for makeup work begins on the day a student returns to school. Knowledge of makeup work is the responsibility of the student. Students must contact the instructor for this information. (Instructors are not responsible for contacting students in these matters.)
4. Students who do not make up work as required by these rules receive a failing grade for that particular days class work.

5. Students shall receive full credit for school work completed according to the above guidelines.

GRADE REPORTS TO PARENTS

At the end of 4 ½ weeks of each quarter, a report will be sent to the parents of those students who are performing unsatisfactorily.

At the end of each quarter, a grade report of the progress of each student will be made to the parents.

A notice of “concern” (concern for lack of progress) may be sent to parents anytime faculty/administration finds it necessary to inform parents.

Parent/Teacher Conferences will be held once during the school year. Generally, this conference will be held at the end of the first quarter.

Grades will be retained until all monetary obligations to the school are met.

HONOR ROLL TABULATION

The following method is used for Honor Roll Tabulation. (All courses receive equal consideration.) The 4.00 scale is used.

<table>
<thead>
<tr>
<th>Grade</th>
<th>Honor Roll</th>
<th>3.80</th>

<th>4.00</th>

Any grade below C- disqualifies a student for Honor Roll consideration. More than one grade in the C category disqualifies a student from the Honor Roll.

There will be a special reward for students who are on the Honor Roll three quarters out of four. The time period to be considered for this reward will be as follows:

- 4th quarter of previous school year
- 1st, 2nd, and 3rd quarters of current academic year
PRINCIPAL’S HONOR ROLL

To be eligible for the Principal’s Honor Roll, students must have an average of 3.95 on a 4.00 scale three out of four quarters of the school year. Counting period begins 4th quarter of the previous school year.

Special recognition is given to the students who achieve this status.

PROMOTION AND RETENTION AND GRADUATION

Promotion and retention of any student in any grade shall be made annually as per the following:

7th & 8th Grade

7th & 8th Grade – If a student in the 7th or 8th grade shall fail two (2) out of four (4) basic courses, (Math, Science, English, Social Studies) or four (4) out of the total class load enrolled in during either semester of the current school year, that student shall be retained in the same grade for the next succeeding school year.

Prior to this action being final, the Faculty Advisory Committee (chosen by the Principal) shall meet and vote, by simple majority, to approve this retention. This decision to retain will be transmitted to the parents and/or guardian of the student six weeks before the end of the school year.

HIGH SCHOOL

High School (Grades 9-12) – If a student receives failing grade marks in any course work for the semester, he/she shall receive no credit for the course for that semester. If the course failed is a basic required course, the student shall retake the semester of course work over the succeeding school year.

Determination of semester grades will be on a percentage basis and average of the percentage grade of each quarter.

GRADUATION

Students who lack the prescribed requirements set forth by the Meadville R-IV Board of Education may on the recommendation of the Superintendent, be permitted to participate in the Graduation exercises as a Senior, but will not receive a high school diploma, nor be recorded as a Meadville R-IV High School Graduate.

In order to be eligible to participate in graduation exercises and to participate in other privileges connected with graduating seniors, students must have attended high school for eight consecutive semesters, unless they have been excused by the Board of Education.

WITHDRAWAL

When a student withdraws from the school for any reason, the Principal/Superintendent will be notified by the parent/guardian. Each student will pick up a withdrawal form in the Principals/Counselors office to be completed by the individual teachers indicating that books are returned and all financial obligations to the school are completed.

The above must be completed before an official transcript will be forwarded to another school.

BASIC MEADVILLE POLICY

The policies and procedures in this section are the results of a concerted effort on the part of the Faculty, Administration and Board of Education.

This information is prepared and presented so that it will be of value in helping students adjust to school and become an integral part of the Meadville R-IV School District.

TIME SCHEDULE

Students (except vocational students) should **not** be in the school building before 7:45 a.m., unless attending a meeting or practice, supervised by an adult.

Students are to report to the gymnasium at 7:45 a.m. and remain in the gymnasium until 8:05 a.m. Students arriving at school after 8:15 a.m. are to report to the Principal’s office for an admit slip before going to their class. Students are to be in their classroom before the tardy bell rings. A student receiving three (3) tardies will be assigned an After School Detention. Students needing to leave a classroom need to secure a hall pass from their classroom teacher.

DAILY BULLETIN

Announcements will be read each day by teachers during the first/second periods. Students will be responsible for anything covered by the bulletin. A copy of each day’s bulletin is posted on the bulletin board in the front office area for any student who misses the first period reading.

All announcements to be placed in the daily bulletin must be signed by the Faculty Sponsor and approved by the Principal. Information for the announcements must be turned in by 8:30 a.m. the day of the bulletin.

USE OF THE PHONE

Students will not use the office phone for personal calls except in an emergency and with staff permission. Students may receive only emergency phone calls during the school day. This policy applies to after school as students are attending or waiting to attend practices.

Calls to have parent/guardian pick up a student may be made and not considered a personal call.

LOCKERS

Students are responsible for contents and cleanliness of their assigned lockers. Pop is not allowed in your locker during the school day. Students may use locks on their lockers if they desire. Locks are the responsibility of the student. Possession of inappropriate items (vulgar pictures, sexual themes, advertisements for alcohol, tobacco, etc…) are prohibited.
CAFETERIA

All students will go to the cafeteria during the scheduled lunch period.

Student behavior in the cafeteria should be based on courtesy and cleanliness. This means leaving the area in the condition you would like to live in. Students are asked to walk quietly to and from the cafeteria.

School meals are to be paid for in the office, preferably on Monday morning. Charges are not to exceed $50.00 per child.

Breakfast prices are as follows:
- Elementary (K-6) $1.20
- Secondary (7-12) $1.20
- Adults $1.20
- Reduced .40

Lunch prices are as follows:
- Elementary (K-6) $1.70
- Secondary (7-12) $1.95
- Adults $2.30
- Reduced .40

Soda is not permitted with lunches. Special diet needs must be reported to the Administration for consideration.

LEARNING RESOURCE CENTER

The library is for use of the students for reference materials and to check out books.

Reference materials like dictionaries and encyclopedias may not be checked out of the library for overnight use. A copy may be made of the article needed and the reference material returned to the library. The copy should be turned in to the teacher with the assignment.

Library books will be checked out for two weeks. Once a total of four items is checked out, nothing else may be checked out until something is returned. Books may be renewed as needed unless someone else requests the book. You do not need to bring the book with you to renew it.

Renew your books before they are due. A fine of $.05 per school day is charged for overdue books. Lost or damaged books must be paid for before another book may be checked out.

STUDENT DRIVING

Students driving vehicles to school must, upon arrival, park their vehicles in the parking lot. All law enforcement regulations are to be respected, including speed limits. If not, then a student will forfeit his/her car on school property. Vehicles are to be parked in an organized manner. Students will not move their vehicles during the school day, except for emergencies or at the discretion or authorization of the Superintendent, Principal, Secretary, or a Faculty member.

IMPORTANT: A law allows courts to suspend the driver’s license of any person who passes a stopped school bus.
**BUS CONDUCT**

Students riding on school owned busses on regular routes or any other school sponsored activity will be subject to direct supervision of bus drivers or the faculty member on the bus. Loud yelling, unnecessary confusion, jam boxes, or moving about in the aisle, is a safety hazard to the driver and passengers, **and will not be permitted.**

**HEALTH**

A nurse will be available two days per week. Students who are ill are to report to the front offices on other days. See other health information on Nurses’ Policy in the Handbook.

**STUDENT IMMUNIZATION**

Students should be properly immunized or produce satisfactory evidence of having immunizations in progress to attend or be admitted to school. Immunizations are required under the rules and regulations of the Division of Health in the Department of Public Health and Welfare.

**FIRE, TORNADO AND EARTHQUAKE DRILLS**

Drills for fire, tornado and earthquakes are held at irregular intervals throughout the school year. Remember the basic rules:

1. Check the instructions posted in each classroom indicating the proper action to be taken.
2. Walk. No talking. Follow verbal instructions from Faculty.
3. Remain calm and on alert until the all clear signal is given.

**CONDUCT AT PUBLIC ASSEMBLIES**

It is the policy of the Board not to permit drunkenness, rowdy or offensive behavior at any public gathering, nor such unsportsmanlike behavior at basketball games or other athletic contests whereby party or parties concerned make themselves offensive to officials, players, teachers, or employees of the Meadville R-IV School District. Therefore, the Superintendent, anyone designated by this person, or an individual Board member is hereby authorized and empowered to (1) warn such party or parties to discontinue their activities, (2) order them to leave the school building or grounds if such activities continue. If these means fail, the above authorities are to call the sheriff and prefer such charges as may be necessary.
ASSEMBLIES

School assemblies are considered an important part of the school program. Assemblies may be motivational, to disseminate information or pep assemblies. All assemblies will be held in the gymnasium. Students are expected to pass to the assembly quietly and orderly, be seated and speak in low conversational tones until the assembly begins. Students will be attentive, treat presenters as guests, and applaud appropriately and at the end of the assembly leave quietly and orderly.

STUDENT ACTIVITIES

All students representing Meadville R-IV Schools in athletic competition, music and band performances, academic skills competition and all other school functions shall ride the provided school bus to and from the competition site. The exception to this rule will be those students who will be riding home from the competition sites with their parents. The parents will personally inform the Superintendent, Principal or supervising teacher in charge of their decision to take their son/daughter home by personal vehicle.

BOARD OF EDUCATION POLICY

The Board of Education of the Meadville R-IV School District in support of the aims of public education, believes that behavior of students attending public schools shall reflect standards of good citizenship demanded of members of a democratic society. Self-discipline (responsibility for one’s actions) is one of the important ultimate goals of education. The Board of Education also believes that while education is a right of every American Youth, it is not an absolute right. It is qualified first by eligibility requirements and secondly by performance requirements. As regards to performance requirements, our courts speak of education as a limited right or a privilege. That is, should a pupil fail to perform those duties required of him upon attendance in public schools, he may be excluded from school.

Therefore, the following four point policy was adopted:

1. Students shall respect constituted authority. This shall include conformity to school rules and regulations and those provisions of law which apply to the conduct of juveniles or minors.

2. High personal standards of courtesy, decency, morality, clean language, honesty, and wholesome relationships with others shall be maintained. Respect for real and personal property, pride in one’s work and achievement within one’s ability shall be expected of all students.

3. Citizenship in a democracy requires respect for the rights of others and demands cooperation with all members of the school community. Student conduct shall reflect consideration for the rights and privileges of others.
4. Every student who gives evidence of a sincere desire to remain in school, to be diligent in studies, and to profit by the educational experiences provided will be given every opportunity to do so and will be assisted in every way possible to achieve scholastic success to the limit of individual ability.

**DISCIPLINE POLICY ADMINISTRATION**

It is understood that justice can be best served if all people who are subject to specific rules and regulations are fully aware of the expectations that have been placed upon them, and that those who are charged with the management of the rules and regulations before rendering a decision. Since there are degrees of severity in the deviations from established rules and regulations, and there may be wide variation in the circumstances surrounding such infractions, fairness is better served by establishing a series of suggested alternatives rather than mandating specific actions.

In line with this reasoning, various violations of established rules and regulations have been identified and have been categorized in terms of their general degree of seriousness, and then suggested approaches for resolution are presented. It should be understood that this is not a limiting document; not all possible methods of resolutions have been listed. As with all situations, all charges will be identified, all decisions on disposition shall be explained, and all such actions may be appealed through procedural due process. It should be understood that repeated offenses by students will result in increasingly severe disciplinary action may range from detention, corporal punishment, Saturday Detention, In-School Suspension, Out-of-School Suspension, and finally, expulsion.

Unless specifically indicated otherwise, the rules defined in this document shall apply to students on all school property, at all school activities and functions, including, but not limited to, field trips, conferences, and athletic events and competitions. The rules apply to students coming and going to school on the bus and at school bus stops. Students are expected to read the rules thoroughly and be knowledgeable of its contents.

APPEARANCE AND ATTIRE

The main concern in regard to student dress at the junior high and high school level is to encourage cleanliness and neatness in personal appearance. It is the school’s goal to create an environment that is free from the distraction of inappropriately clothed students. It is not the school’s intention to infringe on the individual student’s right to freedom of expression, but rather to encourage students to “dress for success” and to come to school properly prepared to participate in the learning process. The list given below, lists items that are not appropriate for the school setting. However, the teachers and administrators reserve the right to determine that other items not listed here are causing interference to the educational process and therefore will not be allowed.

• Students will not be allowed to wear items that endorse or promote vulgar language, alcohol or sexual themes.
• Appropriate shorts will be allowed. They will not be allowed if they are too tight or too short. (Mid-thigh is an appropriate length….AKA fingertip rule) To be worn to school, dresses and skirts with a slit in the side must meet the same standard as shorts.
• No spaghetti strap tops, halter-tops, low cut tops or mid riff tops. Any conspicuous attire will not be allowed. (We are using the “two finger rule” as a general rule for appropriate width.) Boys’ shirts must have sleeves that cover the armpits.
• Students will not wear hats, sunglasses, handkerchief headscarves or hoods in the Meadville R-IV School Building or to other schools when attending student activities/competitions during school hours.
• “Sagging” is not allowed. Boys’ pants/jeans must cover the underwear or boxer shorts at all times. Girls’ pants/jeans must cover the underwear at all times.

Portable audio players, headsets/phones, two-way radios, infrared lasers are not allowed during school hours.
Students, who bring visitors to school during the school day, must obtain permission from the Administration in advance of the visit.

A discipline policy for Meadville R-IV School was revised and approved by the School Board of Education in August, 2011. This policy is on file and copies are available. This policy will be followed.

**STUDENT ALCOHOL/DRUG ABUSE POLICY**

The Board recognizes its share of responsibility for the health, welfare and safety of the students who attend the Meadville R-IV School District. Therefore, the use, sale, transfer, possession or being under the influence of alcoholic beverages or controlled substances on any school property, on any school-owned vehicle or in any other school-approved vehicle used to transport students to and from school or school activities; or off school property at any school sponsored or school approved activity, event or function, such as a field trip or athletic event, where students are under the jurisdiction of the school district, is prohibited.

Any Meadville R-IV student who after being given an opportunity to present his or her version of an alleged alcohol/drug abuse incident is found by the administration and/or staff to be in possible violation by using or possessing alcohol/non-prescription drugs during school hours and/or during school sponsored activity, will receive the following disciplinary action:

**First Offense**

1. Students in possession of alcohol or a non-prescription drug will be turned over to the juvenile authorities.

2. Students having used alcohol or a non-prescription drug will be turned over to the juvenile authorities.

3. Students will be suspended from school for five (5) days and allowed to make up work if the days are spent at the Juvenile Office.

4. Students will be suspended from participating and attending all extra curricular activities for thirty (30) days.

5. The School District may take other action in addition to the above, if deemed appropriate, or if the offense endangered others.

**Second Offense**

1. Students in possession of alcohol or a non-prescription drug will be turned over to the juvenile authorities.

2. Students having used alcohol or a non-prescription drug will be turned over to the juvenile authorities.

3. Students will be suspended from school for ten (10) days and allowed to make up work if the days are spent at the Juvenile Office.
4. Students will be suspended from participating and attending all extra curricular activities for sixty (60) days.

5. The School District may take other action in addition to the above, if deemed appropriate, or if the offense endangered others.

CONTROLLED SUBSTANCE POLICY

The Meadville R-IV School in order to be in compliance with state and federal regulations of the Department of Health PROHIBITS the use, distribution, advertising (this includes clothing that advertises tobacco) and sponsorship of tobacco products in the district’s school buildings and in school leased or owned vehicles.

The Meadville R-IV School District strictly PROHIBITS the possession of, use of, sale of, or attendance under the influence of alcohol, unauthorized prescription drugs, narcotic substances, counterfeit drugs or possession of drug paraphernalia at any time on school property or during school sponsored practices or events.

USE OF ALCOHOL/NON-PRESCRIPTION DRUGS:
NON-SCHOOL RELATED

The following disciplinary action applies to situations involving Meadville R-IV students that occur during a school year:

1. Students of Meadville R-IV School admitting guilt, guilty, and/or convicted of use, will not be allowed to participate in extra curricular activities for fifteen (15) participation days for the first offense. If the offense occurs between extra curricular seasons the consequence will begin with the next activity the student participates in. At the discretion of the sponsor/coach, may be allowed to attend practice and games but not participate in those activities unless under suspension (in or out of school).

2. Students of Meadville R-IV School admitting guilt, guilty, and/or are convicted of use, will not be allowed to participate in extra curricular activities for thirty (30) participation days for the second offense.

3. The Meadville R-IV School District may take other action in addition to the above, if deemed appropriate, or if the offense endangered others.

The use of illicit drugs, unlawful possession and use of alcohol is wrong and harmful.

The Board of Education understands that parents/guardians, educators, students and other community members are seriously concerned about the adverse effects of drug abuse on the individual and society. Furthermore, the Board believes that effective drug education programs require both acquisition of knowledge and the development of positive personal values. Both the school and other community agencies must share in the development and conduct of programs to alleviate the problems of drug abuse.
Information about drug and alcohol counseling and rehabilitation, and re-entry programs will be available from the Meadville R-IV School to students without fear of reprisal.

For additional information, see Meadville R-IV School Board Policy: File IGAEA and File JFCH.

**POLICY FOR MEDICATION ADMINISTRATION**

It is generally recognized that some students may require medication for chronic or short-term illness during the school day to enable them to remain in school and participate in their education. While you as parents carry the primary responsibility for your child’s health, sometimes it is necessary to delegate some of this responsibility to the school nurse or other trained school personnel.

With the exception of students in special education programs, the school district is not obligated to supply, dispense, or administer medication to children. The district will provide for the administration of medication for any student if the parent/guardian is willing to comply with requests for documentation of need, provision of medication and physician orders outlined.

Medication will not be administered unless supplied in an original and properly labeled container with the appropriate dosage and time with our child’s name and doctor’s name. Your pharmacy will be glad to fill your prescription in two bottles, one for home and one with school time instructions. **NO MEDICATION WILL BE GIVEN THAT COMES TO SCHOOL IN AN UNLABELED CONTAINER.**

Those students who take medication at school on a daily basis must have an Authorization of Medication form filled out by the parent/physician. The school will administer medications according to the most recent parent/physician authorization. The parent/guardian of the student must assume responsibility for informing school personnel of any change in the student’s health or change in medication dose or schedule.

For those medications that are given short-term, such as an antibiotic, parents may authorize the dispensing of this medication in the form of a note to the school acknowledging the parent’s approval, dosage, times and medicine, and the termination date for administering the medication. It is suggested that there be only enough medication sent to school for that day or week, not the entire prescription. The school **WILL NOT** give the first dose of any medication. Authorization forms or notes will be filed in the student’s permanent health record.

Other guidelines for medication administration are outlined in the school Health and Wellness Manual found in the Nurse’s office.
POLICY REGARDING STUDENTS WITH LIFE-THREATENING FOOD ALLERGIES

Meadville R-IV School is committed to providing a safe school environment for all students. The school recognizes that food allergies, in some instances, may be severe and even occasionally life threatening. Meadville R-IV School has created this policy to reduce the likelihood of severe allergic reactions of students with known food allergies while at school, and to increase the likelihood that appropriate medical treatment is available in the case of an allergic reaction. In keeping with Meadville R-IV School’s goal of educating students in mind, body and spirit, the school’s aim is to help students learn how to manage their food allergies while providing an environment where the risk of exposure is reduced and emergency support is available. The school cannot achieve this goal alone and student and family involvement are critical. Ultimately the primary responsibility for reducing the risks associated with food allergies rests with the students and their parents. The School’s policy is as follows:

School’s Procedures

- No peanut products will knowingly be served or sold in the school.

- Information pertaining to the student’s allergies will be shared with faculty and staff who have contact with the student, but otherwise will be kept as confidential as possible.

- Based on information from the student’s parents and doctor, the school nurse will develop a Food Allergy Health Plan which lists the student’s food allergies, emergency treatment protocols and contact information. These health plans will be kept in the student’s health file in the nurse’s office. Copies will be distributed to food service personnel, classroom teachers of those students with food allergies, and other faculty/staff on a need to know basis. Plans will be updated yearly or as needed.

- Meadville R-IV School will provide food allergy and anaphylaxis training for faculty, staff, and coaches as needed. This training will include information on how to recognize an allergic reaction and respond appropriately.

- Meadville R-IV School will work with the food service director to provide food in the cafeteria that all students may enjoy. In the case of a student with multiple or unusual allergies, however, Meadville R-IV School may require the student/family to provide lunch and snacks to ensure the student’s safety.

- Food service personnel, per the recommendation of the school nurse and administration, will not serve peanuts, tree nuts and shellfish in the cafeteria during normal operating hours.

- No peanut products will be allowed in the school during the school day. If unsafe foods are brought in sack lunches or found in the school during the school day, those foods will be removed and eaten in an area deemed as safe at the appropriate time.

- Foods that do not contain peanuts in the ingredients but posts an advisory such as (or similar to) "may contain trace amounts of peanuts" or "manufactured in a factory containing peanuts", will be allowed in the cafeteria.

34
• Meadville R-IV School will notify parents in advance of any major planned classroom activities that will include food, such as holiday parties, etc. Classroom teachers will monitor items brought into the classroom for special occasions. If foods containing peanuts/nuts are found they will be removed from the classroom.

• Meadville R-IV School will attempt to avoid serving food with peanuts, tree nuts, and shellfish but cannot guarantee that products with these ingredients or other food allergens will never be present on campus or at school events. Likewise, Meadville R-IV School cannot monitor products sold after the dismissal of regular classes for the school day, during athletic events, items brought for potlucks or celebrations, or served on off campus trips. Therefore, persons with severe food allergies must carefully monitor their food in these situations.

• A warning sign will be posted at athletic events, potlucks or other school events that homemade items may contain peanut/nuts.

Parent/Student Responsibility:

• Parents of students with life-threatening allergies must provide Meadville R-IV School with emergency medications and a written medical treatment protocol for their students addressing allergy-related events. The protocol and medication must be provided to the school nurse prior to the beginning of each school year. The school nurse will maintain the medication and information according to the current emergency medical treatment protocol. In elementary school, student medications will be kept in the nurses office and if necessary, in the student’s classroom. In the Junior High and High School, a student may carry and administer their own Epi-Pen with written permission from their doctor and parents. In this case, it is the family’s responsibility to be sure that the medication is accessible during school hours and within its expiration date. Parents may however, choose for the medication be housed in the nurse’s office. Meadville R-IV School stocks an Epi-pen and an Epi-pen Jr. for emergency use.

Parents will be given the opportunity to meet with the food service director, teachers and school nurse at the beginning of each school year regarding food allergies.

MEADVILLE R-IV EXTRA-CURRICULAR ACTIVITIES

Participation Requirements: In order to participate in extra curricular activities, students must be present and in class half the school day of or the day following the activity. Meadville R-IV School District

Students enrolled in the Meadville R-IV School District have the opportunity to participate in activities beyond the in-school curriculum. These activities include softball, basketball, track, cheerleading, golf, instrumental and vocal music, and quiz bowl competition. Students participating in the above activities plus those of other school sponsored clubs and organizations are covered by this citizenship policy.

Eligibility to represent the Meadville R-IV School District in activities is a privilege to be attained by meeting the standards of eligibility cooperatively set by the MSHSAA and the Meadville R-IV School District.

If law enforcement authorities determine that charges will not be filed, eligibility will be contingent upon local school policies. Minor moving traffic offenses shall not affect eligibility, unless they involve drugs, alcohol, accidents or injuries. After a student has completed all court appearances and penalties, and has satisfied all special conditions of probation and remains under general probation only, local school authorities shall determine eligibility.

2. The eligibility of a student who is serving detention or in-school suspension shall be determined by local school authorities.
3. A student shall not be considered eligible while serving an out of school suspension.
4. A student who is expelled or who withdraws from school because of disciplinary measures shall not be considered eligible for 365 days from the date of expulsion or withdrawal.

7. Each school shall diligently and completely investigate any issue that could affect student eligibility.

C. Student Responsibility: Each student is responsible to notify the school of any and all situations that would affect his/her eligibility under the above standards. If the student does not notify the school of the situation prior to the school’s discovery, then the student shall be ineligible for up to 365 days from discovery, pending review by the Board of Directors.

New academic standards for MSHSAA state those students in grades 9-12 must be currently enrolled in and regularly attending courses that offer a minimum of 3.0 units of credit and must have earned a minimum of 3.0 units of credit the preceding semester of attendance. Meadville R-IV students must

If the offense occurs between extra curricular seasons the consequence will begin with the next activity the student participates in. At the discretion of the sponsor/coach, may be allowed to attend practice and games but not participate in those activities unless under suspension (in or out of school).

2. Third Offense shall result in restriction from participation for the remainder of the school year in all activities.

The Meadville R-IV School District may take other action in addition to the above, if deemed appropriate, or if the offense endangered others.

**OUT OF SCHOOL CONDUCT**

A student who is guilty: (1) by his/her own admission, or, (2) substantiated by evidence gathered by school officials, or (3) convicted by the court – of a violation of the law, other than minor violations, shall not be permitted to represent the Meadville R-IV School District until he/she has satisfied the court-imposed fine or penalty. If the student is placed on probation as a result of the violation he/she may be eligible to represent his school, provided the terms of the probation are not violated.

A second violation of the law, other than minor violations, will cause a student to be disqualified from all activities for the remainder of the school year.

**DUE PROCESS**

Students are entitled to due process so they are aware of the citizenship expectations and the penalties for failing to meet these expectations. Due process will be accomplished by:
1. Coaches, sponsors and administration will make students aware of the Student Eligibility Standards prior to participation by the students.
2. Students and parents will be required to sign verification that they have read and understand the Student Eligibility Standards and return it to the appropriate activity before a student will be allowed to participate.
3. Students will be fully informed of charges in detail and given an explanation of the evidence school officials have gathered concerning his/her violation of the agreement.

PROCEDURE FOR APPEAL

If after having been denied participation in an activity, a student disagrees with action taken by the school, he/she may appeal in writing by requesting a hearing progressing through the following steps:

1. The student, parents or guardian, shall appeal in writing to the superintendent, who upon notice of appeal shall stay suspended eligibility until the Board of Education renders its decision, unless in the superintendent’s judgment, the student’s presence poses a continuing danger to persons or an ongoing threat of disrupting the academic process.
2. Upon receipt of a notice of appeal, the Board will schedule a hearing within a reasonable time in advance of the schedule date or at its next regular meeting, will notify, by certified mail, the appealing party of the date, time and place of the hearing and of the right of counsel, to call witnesses, and to present evidence at the hearing. The hearing will be closed unless the student, parents or guardian request an open hearing.
3. At the conclusion of the hearing, the Board of Education shall deliberate in executive session and render a decision to the student, parents or guardian within 72 hours of the meeting of its final decision.

This agreement must be signed by the parents indicated and returned to the coach/sponsor of the appropriate activity prior to a student’s next participation.

I acknowledge receipt of and have studied and understand the Student Eligibility Standards for participation in activities at Meadville R-IV School District.

Missouri Department of Elementary & Secondary Education
NCLB COMPLAINT PROCEDURES

The Federal No Child Left Behind Act of 2001 (NCLB), Title IX Part C. Sec. 9304(a)(3)(C) requires the Missouri Department of Elementary & Secondary Education (DESE) to adopt procedures for resolving complaints regarding operations of programs authorized under the Act, including Title I, Title II, Title III, Title IV (Part A), Title V, Title VI, and Title VII and Title IX, part C.

Who May File a Complaint
Any local education agency (LEA), consortium of LEAs, organization, parent, teacher, or member of the public may file a complaint.

Definition of a Complaint
There are both formal and informal complaint procedures. A formal complaint must be a written, signed statement that includes:
1. an allegation that a federal statute or regulation applicable to the state educational agency (SEA) or a local education agency (LEA) program has been violated,
2. facts, including documentary evidence that supports the allegation, and
3. the specific requirement, statute, or regulation being violated.

Alternatives for Filing Complaints
It is federal and state intent that complaints are resolved at a level nearest the LEA as possible. As described below, formal complaints filed with the SEA will be forwarded to the appropriate LEA for investigation and resolution. Informal complaints made to the SEA will be subject of an initial investigation by the SEA, but will be forwarded to the LEA if a formal complaint evolves. Precise processes in both instances are described below.

Informal and Formal Complaints Received by the Local Education Agency
Informal and formal complaints filed with the LEA concerning NCLB program operations in that LEA are to be investigated and resolved by the LEA according to locally developed procedures, when at all possible. Such procedures will provide for:
1. disseminating procedures to the LEA school board,
2. central filing of procedures within the district,
3. addressing informal complaints in a prompt and courteous manner,
4. notifying the SEA within 15 days of receipt of written complaints,
5. timely investigating and processing of complaints within 30 days, with an additional 30 days if exceptional conditions exist,
6. disseminating complaint findings and resolutions to all parties to the complaint and the LEA school board. Such findings and resolutions also shall be available to parents, teachers and other members of the general public, provided by the LEA, free of charge, if requested, and
7. appealing to the Missouri Department of Elementary & Secondary Education within 15 days. Appeals to the Missouri Department of Elementary & Secondary Education will be processed according to the procedures outlined in sections below.

Informal Complaints Received by the SEA Office
Informal complaints (i.e., verbal and/or anonymous) to the SEA by individuals (who may ask not to be identified to the LEA) concerning program operations in an LEA will be investigated by the SEA, according to procedures deemed most appropriate by the SEA, within 10 days of receipt of the complaint. Findings of this investigation shall be reported to the complainant within 10 additional days. In the event that the complainant requests further investigation or a hearing, the complainant must file a signed written complaint. This formal complaint will be processed according to procedures outlined in sections below.

Formal Complaints Initially Received by the SEA Office
1. Record. Upon receipt of a written complaint, a record of the source and nature of the complaint, including the applicable program involved in the complaint, statute violated and facts on which the complaint is based, will be initiated.
2. Notification of LEA. Within 15 days of receipt of the complaint, a written communication will notify the district superintendent and the district NCLB coordinator of the complaint filed with the SEA. Upon receipt
of the communication, the LEA will initiate its complaint procedures as set forth above. If the complaint is
that an LEA is not providing equitable services to private school children, it also will be filed with the U.S.
Secretary of Education.
3. Report by LEA. Within 20 days of receipt of the complaint, the LEA will advise the SEA of the status of
the complaint resolution proceedings and, at the end of 30 days, will submit a written summary of the
LEA investigation and complaint resolution. This report is considered public record and may be made
available to parents, teachers, and other members of the general public. A copy of this procedure also
will be filed with the U.S. Secretary of Education, if it involves equity of services to private school
children.
4. Verification. Within ten days of receipt of the written summary of a complaint resolution, the DESE
office will verify the resolution of the complaint through an on-site visit, letter or telephone call(s).
Verification will include direct contact with the complainant. If the complaint is about equity of services to
private school children, the U.S. Secretary of Education shall also be given copies of all related
communications.
Appeals
Appeal to the SEA
1. Record. Upon receipt of a written appeal to a complaint unresolved at the LEA level, a record of the
source and nature of the complaint, including the applicable program involved in the complaint, statute
violated and facts on which the complaint is based, will be initiated.
2. Investigation. The SEA will initiate an investigation within 10 days, which will be concluded within 30
days from receipt of the appeal. Such investigation may include a site visit if the SEA determines that an
on-site investigation is necessary. By stipulation of all concerned, this investigation may be continued
beyond the 30-day limit.
3. Hearing. If required by the SEA, or formally requested by parties to the complaint, this investigation
will include an evidentiary hearing(s) before an SEA Division Director acting as chairperson and
designated staff personnel. Conduct of such hearings will follow the procedures outlined in state rules.
The hearing proceedings shall be tape recorded and the recording preserved for preparation of any
transcript required on appeal.
Decision
Within 10 days of conclusion of the investigation and/or evidentiary hearing(s), the SEA will render a
decision detailing the reasons for its decision and transmitting this decision to the LEA, the complainant,
and the district school board. Recommendations and details of the decision are to be implemented within
15 days of the decision being given to the LEA. This 15-day implementation period may be extended at
the discretion of the SEA Division Director. The complainant or the LEA may appeal the decision of the
SEA.
Formal LEA Complaints Against SEA
1. Record. The SEA will record the source, and nature of the complaint, including the applicable program
involved in the complaint, statute violated and facts on which the complaint is based.
2. Decision. The SEA decision will be rendered within 15 days of the complaint receipt. The LEA will be
promptly notified of the SEA's decision.
3. Appeal. The LEA may appeal the decision of the SEA to the SEA review board within 30 days of receipt
of the decision. Procedures under the “Appeal to the State Agency Review Board” section will be
followed.
4. Second Appeal. An applicant has the right to appeal the decision of the SEA Review Board to the U.S.
Secretary of Education. The applicant shall file written notice of the appeal with the Secretary within 20
days after the applicant has been notified by the SEA of its decision.
Complaints Against LEAs Received from the
United States Department of Education
1. Complaints against LEAs received from the U.S. Department of Education will be processed as though
they had been received initially at the SEA.
2. A report of final disposition of the complaint will be filed with the U.S. Department of Education.
3. These procedures shall not prevent the SEA from partially or wholly interrupting funding of any LEA
IASA program or taking any other action it deems appropriate.
Procedure Dissemination
1. This procedure will be disseminated to all interested parties through the agency webpage at
http://dese.mo.gov and to subscribers to the Federal Programs listserv.
2. This guidance will be distributed through regional and statewide meetings with Federal Programs Coordinators. LEAs are asked to incorporate the elements of the complaint procedure into their own policies and procedures.

3. DESE will also keep records of any complaints filed through this policy. The Department of Elementary and Secondary Education does not discriminate on the basis of race, color, national origin, sex, disability, or age in its programs and activities. Inquiries related to Department programs and to the location of services, activities, and facilities that are accessible by persons with disabilities may be directed to the Jefferson State Office Building, Civil Rights Compliance (Title VI/Title IX/504/ADA/Age Act), 5th Floor, 205 Jefferson Street, Jefferson City, MO 65102-0480; telephone number 573-526-4757 or Relay Missouri 800-735-2966.

EMERGENCY SCHOOL CLOSING PROCEDURE

We will make the decision as to school closing no later than 6:30 A.M.

The following radio stations will be notified in the following order:

(1) K.C.H.I. FM 98.5 on your radio (Chillicothe)
(2) K.T.T.N. FM 92.3 on your radio (Trenton)
(3) K.G.O.Z. FM 101.7 on your radio (Trenton)
(4) K.Z.B.K FM 96.9 on your radio (Brookfield)
(5) K.M.Z.U. FM 100.7 on your radio (Carrollton)
(6) K.R.E.S. FM 104.7 on your radio (Moberly)

The following Television stations will also carry our information:

Fox 4 - Channel 4  
KCTV - Channel 5  
KMBC - Channel 9

IMPORTANT – PLEASE DO NOT CALL THE SCHOOL TO ASK IF WE ARE HAVING SCHOOL. LISTEN TO ONE OF THE ABOVE RADIO STATIONS. WE NEED THE PHONE LINES OPEN FOR OTHER SCHOOL BUSINESS.

If school is cancelled on the date of a basketball game, we will not be playing ball that night. The only exception to this rule will be in case of tournaments, and then only if roads and weather permit.

If it is necessary to cancel school after school takes up for the day, the above radio stations will be notified. It is important that you parents be aware of the weather conditions and be prepared for your youngsters arriving home early.

Early school closing and school closings are inconveniences to parents who work during the school day, however, please remember that our first consideration (and only consideration) is the welfare and safety of the students who ride the busses to and from school.

All school busses are equipped with FM radios. The school office has the ability to contact each school bus route.

MEADVILLE R-IV SCHOOL SONG

Oh when those Meadville Eagles fall in line, we’ll show the county that we’re all in time and we will fight! Fight! Fight! For Meadville High and we will raise that score up high! So high! So high! So high! So when you see those colors, purple and white, it’s a sure sign we’ve got dynamite. The purple and white team will go down the line, through the line, Meadville High! Rah! Rah! Rah! Rah! Rah! Hey!
